ARUNACHAL UNIVERSITY OF STUDIES

NAAC ACCREDITED UNIVERSITY

SKILLING MINDS BUILDING THE NATION

Information Brochure

Hero of India's Freedom Movement

Rani Gaidinliu

Padma Bhushan

Manipur

Rani Gaidinliu was a courageous freedom fighter, spiritual leader, and social reformer from Manipur. She was born on January 26, 1915, in Nungkao village. From a young age, she became associated with the Heraka movement, which sought to preserve traditional Naga culture and oppose British rule. In 1931, she assumed leadership of the movement and played a significant role in mobilizing people for their cultural and political rights.

Her strong resistance to colonial authority led to her arrest at a young age, and she spent many years in prison. After India gained independence in 1947, she was released and dedicated her life to the welfare, unity, and upliftment of her community.

Rani Gaidinliu is remembered for her bravery, leadership, and commitment to preserving cultural identity, and her contributions continue to inspire people across Northeast India.

From the Desk of Chancellor

Kamal Lochan
Chancellor

It is truly a moment of great significance as we come together to begin a new chapter of learning and self-exploration at the distinguished Arunachal University of Studies. As the Chancellor of this esteemed institution, it is both an honor and a joy to warmly welcome each of you to our vibrant academic community.

Arunachal University of Studies carries a proud legacy of academic distinction. It has stood as a pillar of knowledge, drawing students from across regions and backgrounds. As you step into this exciting new phase of your academic journey, I urge you to embrace the opportunities ahead with passion, purpose, and perseverance.

Education, as we understand it, extends far beyond the acquisition of facts. It is about sharpening your ability to think critically, nurturing your creative instincts, and developing a spirit of collaboration. Here, you will be immersed in a broad spectrum of disciplines and opinions that will challenge you to think deeply, explore fearlessly, and innovate boldly. The knowledge and skills you gain here will not only lay the foundation for personal success but also equip you to lead and inspire change in your chosen paths.

With opportunity comes responsibility. As scholars of this institution, you bear the vital task of applying your learning to uplift society. In a world facing issues such as it climate change, inequality, social unrest your role as educated citizens has become more important. Let your education become a force for good, and may your actions reflect a sincere commitment to building a more equitable and sustainable future.

As you navigate this transformative journey, I encourage you to stay curious, think boldly, and grow relentlessly. Our university is a space that celebrates intellectual curiosity and champions the courage to step beyond comfort zones. So, dream ambitiously, take meaningful risks, and strive to make a lasting impact.

In closing, I offer my heartfelt best wishes to each one of you as you embark on this enriching journey at Arunachal University of Studies. May your time here be marked by valuable learning, lifelong friendships, and limitless growth. Together, let us cherish the gift of education and work towards a bright future.

Thank you, and once again, welcome to AUS.

From the Desk of Vice-Chancellor

Dr. Ajeya Jha
Vice-Chancellor

Dear Prospective Students,

It is my pleasure to invite you to join the Arunachal University of Studies, Namsai, a vibrant community of scholars, learners, and change-makers. As the Vice-Chancellor of this esteemed institution, I am thrilled to introduce you to our university, which is rapidly emerging as a hub of academic excellence, innovation, and social responsibility.

At Arunachal University of Studies, we are committed to creating a student-centric environment that fosters intellectual curiosity, creativity, and critical thinking. Our academic programs are carefully designed to equip you with the knowledge, skills, and values necessary to succeed in an increasingly complex and interconnected world.

Our university is dynamic, responsive, and forward-looking. We are constantly updating our curricula, pedagogies, and infrastructure to ensure that our students receive a world-class education that prepares them for the challenges and opportunities of the 21st century.

But our university is more than just a place of learning; it is an abode of knowledge, compassion, and service. We believe that education should not only enlighten the mind but also awaken the heart. Our faculty, staff, and students are committed to creating a culture of empathy, inclusivity, and social responsibility that extends beyond the campus to the wider community.

As a student of Arunachal University of Studies, you will have access to a range of academic, extracurricular, and co-curricular opportunities that will enable you to explore your passions, develop your talents, and realize your full potential. Our campus is equipped with state-of-the-art facilities, including modern classrooms, laboratories, libraries, and recreational spaces.

But what truly sets us apart is our commitment to your success and well-being. Our faculty are dedicated mentors who will guide you every step of the way, from academic advising to career counseling. Our support services are designed to ensure that you have a smooth and enjoyable transition to university life.

So, if you are looking for a university that is student-centric, dynamic, and committed to making a positive impact on society, then Arunachal University of Studies is the right choice for you. I invite you to join our community of scholars and learners and embark on a journey of discovery, growth, and transformation.

Together, let us create a brighter future for ourselves, our communities, and our world.

Welcome to Arunachal University of Studies!

A University in the land of Rising Sun

Arunachal University of Studies (AUS) is a state self-financed university of Arunachal Pradesh. Established by the Government of Arunachal Pradesh through an Act of the State Legislature, AUS is duly recognized by the University Grants Commission (UGC). The university is also an esteemed member of the Association of Indian Universities (AIU), New Delhi, and its certifications are globally accepted.

AUS offers a diverse range of undergraduate, postgraduate, and doctoral programmes across multiple disciplines, including Agriculture & Life Sciences, Arts & Social Sciences, Commerce & Management, Education & Sports, Special Education, Legal Studies, Library & Information Sciences, Pharmacy, Nursing, Medical Laboratory Sciences, Physiotherapy and Science & Technology.

A Commitment to Indigenous Knowledge & Culture

One of AUS's defining features is its dedication to preserving and promoting indigenous knowledge and cultural heritage. The university has dedicated facilities focused on indigenous studies, aiming to safeguard the state's rich culture & tradition. AUS provides students with profound insights into the diverse communities and customs of the state through various workshops, seminars, and conferences in tribal studies and folk literature.

Innovation, Research & Industry Integration

AUS prioritizes student centric methods, such as experiential learning, participative learning and problem-solving methodologies to enhance the learning experience. The faculty use ICT-enabled tools including online resources for effective teaching, supported by state-of-the-art research facilities including modern laboratories, well-stocked libraries and advanced computer labs. The university fosters innovation through industry partnerships, ensuring the students receive hands-on trainings and exposure to real-world challenges. Additionally, AUS encourages entrepreneurship by organizing various skill development trainings and also inviting locals to launch start-up by facilitating through incubation centres.

Holistic Development & Campus Life

AUS is committed to the holistic development of its students, offering a dynamic environment enriched with sports, cultural, and extracurricular activities including academics. The university boasts excellent sports infrastructure for both indoor and outdoor games, including cricket, football, basketball, badminton, and table tennis. A vibrant cultural scene, with numerous events and festivals, showcases students' talents and fosters creativity.

The first private university in North East India to achieve **ICAR** accredition

A **NAAC Accredited** University

Distinguished Faculty & Research Excellence

AUS has a team of highly qualified and experienced faculty's, including full-time and visiting scholars, who are experts in their respective domains. The university actively promotes research and innovation, providing grants and funding support to faculty members for publishing research papers and articles in leading journals.

Admissions, Scholarships & Career Opportunities

AUS follows a merit-based admission process, selecting candidates based on academic performance and aptitude. To make quality education accessible, the university offers scholarship and financial assistance to deserving students based on merit and financial background. The Course fees at AUS is affordable, with flexible payment plans and installment options.

The university also has a robust placement cell that assists students with career development, organizes campus recruitment drives and hosts job fairs thus connecting students with the leading organizations. AUS graduates hold prestigious positions across various industries, forming a strong alumni network.

AUS - A Model Institution for Higher Education

The Arunachal University of Studies stands as a premier institution in Northeast India, blending academic excellence, cultural preservation, and innovation. The University's student-centric approach, world-class infrastructure and a commitment to fostering knowledge and professional success, AUS continues to set benchmarks in higher education.

- New Education Policy (NEP) aligned curriculum

Placement @ AUS -2025

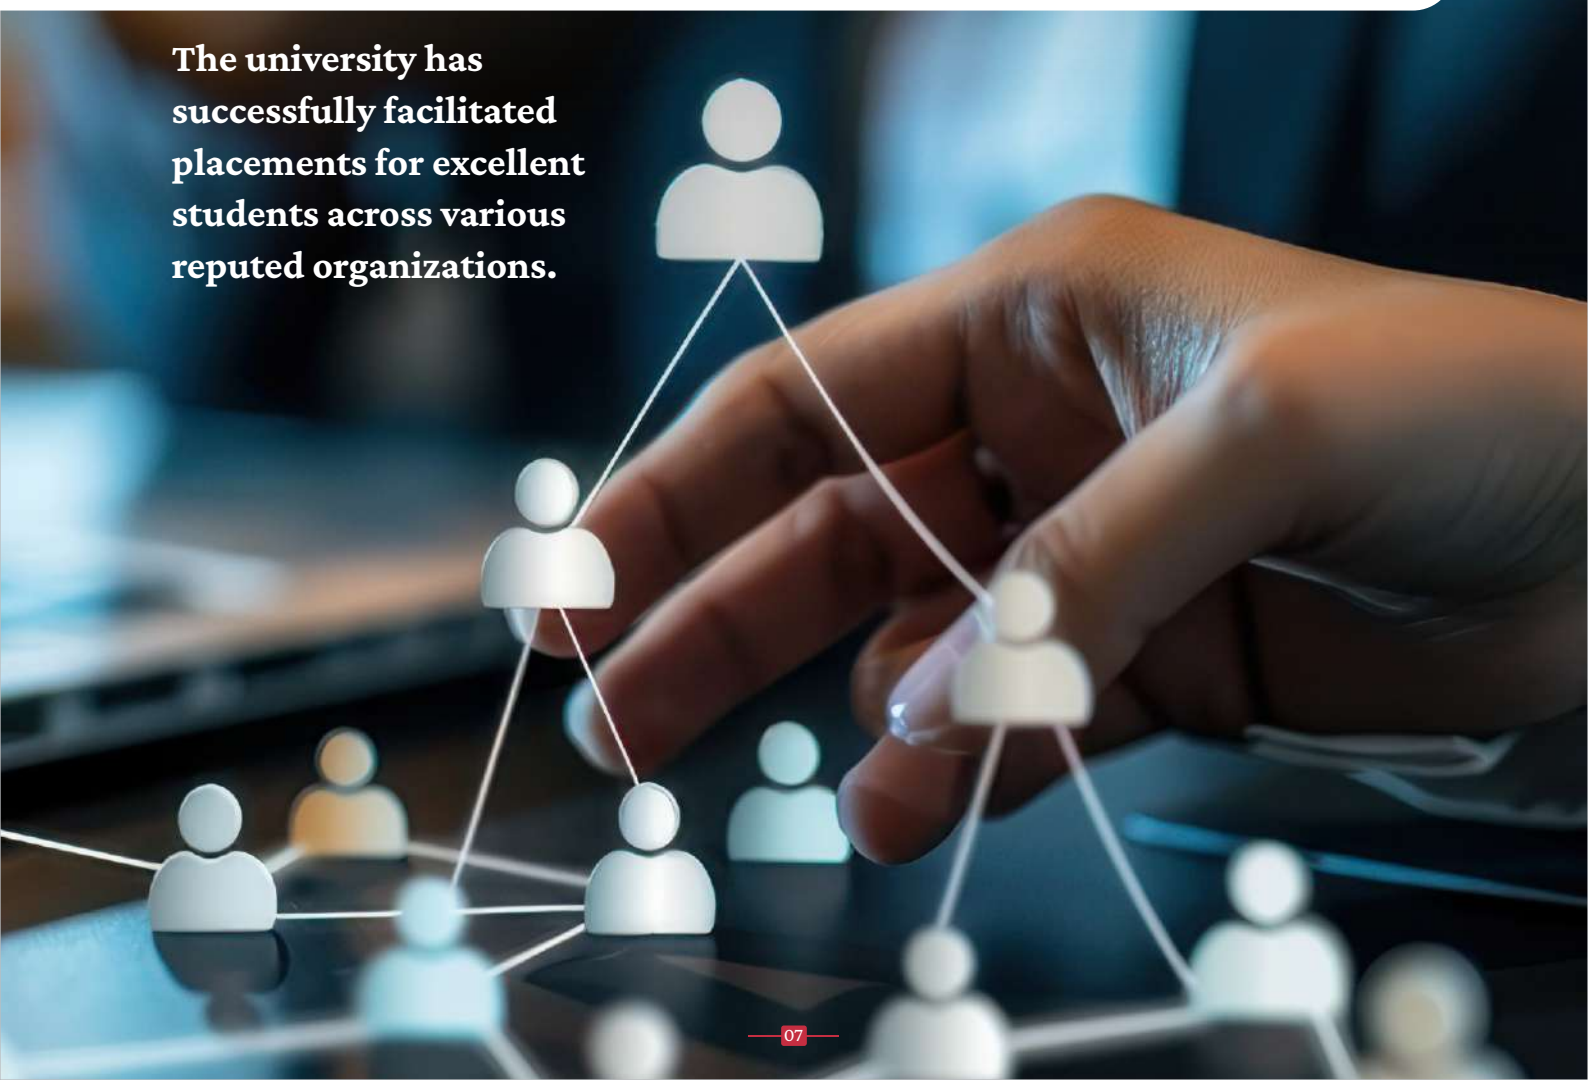

AUS is committed to student success, offering comprehensive placement support across diverse fields namely Technology, Management, Law, Pharmacy, Nursing, Education, Agriculture, Life Sciences etc. Its Training and Placement Cell serves as the backbone of this initiative, actively collaborating with industry partners to cater to exciting opportunities for the students.

Emphasizing practical training within organizations, AUS takes a proactive approach to preparing students for the professional world, ensuring they gain both theoretical knowledge and hands-on experience. This strategy aligns with modern job market demands, where employers seek candidates with not only strong academic backgrounds but also industry exposure and practical skills.

By fostering qualities such as quality, discipline, self-learning, and ethics, AUS is shaping a well-rounded and competent workforce, ready to make meaningful contributions in their respective fields.

Our Recruiters

The university has successfully facilitated placements for excellent students across various reputed organizations.

Computer Labs

Arunachal University of Studies boasts a state-of-the-art computer laboratories designed to enhance students' academic experience. The spacious labs accommodate entire classes, ensuring every student has access to necessary equipment. Ergonomic chairs provide comfort and promote good posture during extended computer use. Each system is equipped with essential software tailored to various courses, enhancing productivity and research capabilities. Additionally, high speed internet connectivity allows seamless access to online educational resources at any time.

Library

Arunachal University of Studies (AUS) boasts the largest collection of academic books in the region. The university's library has uniqueness due to its diverse and frequently updated collection, featuring academic and non-academic books, career-building resources, personality development guides, and extensive research materials to meet evolving educational needs.

With a team of highly trained professionals, the library fosters an inclusive and welcoming environment where students can study, read, and engage comfortably. Equipped with modern technology including computers, Wi-Fi, and online resources it serves as a hub for research and learning.

AUS is also committed to sustainability, integrating eco-friendly practices to minimize waste and promote responsible use of resources. Additionally, the Learning Resource Center is fully automated with the KOHA, ensuring efficient management and accessibility.

Highlights

- Automated system powered by KOHA software.
- E-Library with extensive digital resources.
- Research Assistance for academic and professional growth.
- 2 lakhs + books across various disciplines.
- 500+ journals for in-depth study and reference.
- 100+ thesis available for research reference.
- 400+ seating capacity for comfortable study sessions.
- Fully Wi-Fi-enabled library for seamless connectivity.
- Dedicated Digital Library for remote access to resources.

Campus Life

Arunachal University of Studies (AUS) has an inclusive and diverse campuses in Northeast India. Spanning across 85 acres, the university features state-of-the-art infrastructure with modern facilities that empower students to embark on their professional journeys from day one. Designed to support both academic and cultural growth, AUS provides an enriching environment where students can learn, socialize, and thrive.

To ensure a safe and seamless campus experience, our 24/7 on-site management team is always on duty, ensuring the well-being of students, staff, and visitors.

Sports Facilities

A student who is mentally and physically active has more chances to succeed than those who aren't. AUS has facilitated various areas in the campus where the students can engage in sports activities. So far the campus has connected its students like a community promoting healthy competition that helps students develop their leadership skills, sense of judgement, and teamwork. Being physically active also enhance concentration power and memory retention. Hence by various successful sports teams in football, volleyball, handball, basketball, tennis, badminton and others, the sports programme of AUS is here to enhance not just the university's reputation and visibility but also to increase the athletic programme of all its prospective students because maintaining good health is the only way to lead a life.

Hostel & Mess

Over the past decade, AUS has fostered an inclusive residential community for a diverse and dynamic experience. AUS has been promoting the holistic development of students, especially those wanting to reside within the campus. The hostels at AUS have all the modern features considering the comfort and privacy of the young students. The hostels are separate for both girls & boys and they can be availed on first cum first serve basis at the time of admissions.

The food served within the premises is mostly farm grown available on the campus and is curated keeping in mind the nutrition and taste of every resident. The hostel mess prepares both vegetarian and non-vegetarian cuisine for the residing students. AUS prioritises the safety of every student and has formulated comprehensive approaches to address the safety and security of the students. The premises are secured by CCTV cameras. The hostels also have medical facilities for the emergency. The infrastructure also has fire safety equipment installed and has been subject to regular inspections. AUS implements these measures to create a secure and safe on-campus environment for students ensuring they focus on their studies and personal growth without having to worry about anything.

Centre for Skill Development & Vocational Studies

The Government of Arunachal Pradesh established Arunachal University of Studies as a state skill university for providing high quality education supplemented with industrial internship and professional training in various areas of studies. As per the reports of NSDC by 2031 around 6 Lakh people of the state will be unemployed. Complying with the legislative directives, the university established FSDVS in 2012. FSDVS is offering employment-centric, capacity building and training related Programme for skill & entrepreneurship development of the youth. FSDVS is also assisting the students of vocational education to transfer already earned formal/ in-formal/ vocational credits into the formal education system and vice-versa.

Centre for Skill Development & Vocational Studies

National Skill Qualification Framework (NSQF)

FSDVS has adopted all levels of NSQF which was notified by the Ministry of Finance in 2013 for providing common reference framework for linking various vocational qualifications, setting common principles and guidelines for a nationally recognized qualification system & standards and providing course curriculum under competency-based framework that organizes all qualifications according to a series of levels of knowledge, skills and aptitude. NSQF is a quality assurance framework to integrate regular education with competency-based skill education for multiple pathways, horizontal as well as vertical, both with in classroom sessions and practical training and among vocational education & training, general education and technical education.

Recognition of Prior Learning (RPL)

In a country like ours where a majority of the workforce has not received formal training, RPL is a very important associated function of the NSQF which helps individuals, who have gained learning informally, i.e. through life, work and voluntary activities to get this learning recognized. RPL assessment and certification is one such unique process that enables candidates to align their existing competencies with the NSQF and continue their formal education. RPL also helps them explore different options in skilling and upskilling to bridge the knowledge and skill gaps.

University Industry Inter Linkage Centre (UILC)

In compliance of UGC notifications, UILC was established by FSDVS in 2015. The significance of university-industry interactions has become an important agenda of higher education on policy-making front at both national and international levels. FSDVS aims to have such collaborations with the industries for ensuring better skill development of candidates during the period of studies. FSDVS is actively working on fulfilling this need by creating and operating suitable collaborative arrangements with other Institutions and industries for promoting the University-Industry interactions in higher education.

CSR Project of Employability Enhancement

World Education Mission, which is also the sponsoring body of the AUS has been assigned many CSR projects funded by reputed organizations to FSDVS for skill training in various sectors. The training will enhance the employability prospectus of the youth of Arunachal Pradesh.

Charter

Charter signifies for grant of privilege to formally recognize the grantee's existing competencies obtained formally or informally which includes academic or non-academic or work experience. The privileges of charter are assigned by the authority based on evaluation for conferring a certification equivalent to formal academic qualification to the grantee. The AUS is duly authorized to impart NSQF aligned Charter Certification for the purpose of enhancing employable skills amongst trainees. Charter can be earned at a pace, convenience and capability of the trainees. Being NSQF aligned certificate, charter can be equated with corresponding level of formal education and alternatively accepted as base qualification for enrolment in formal Programme offered by AUS.

Deen Dayal Upadyaya Grameen Kaushal Yojana (DDUGKY)

DDUGKY is the Scheme of Ministry of Rural Development (MoRD) as a part of the National Rural Livelihood Mission (NRLM), tasked with the dual objectives of adding diversity to the incomes of rural poor families and cater to the career aspirations of rural youth. It is focused on rural youth from poor families between 15 to 35 years. As a part of the Skill India campaign, it plays an instrumental role in supporting the social and economic Govt. initiated schemes like Make in India, Digital India, Smart Cities and Start-Up India, Stand-Up India campaigns. World Education Mission is the registered Project Implementation Agency for implementing DDUGKY scheme.

Green Skill Development Programme (GSDP)

GSDP Training on 'Bamboo Crafts' is an initiative of Environmental Information System (ENVIS) under Ministry of Environment and Climate Change. The FSDVS is registered participant of ENVIS and conducted trainings related to Bamboo Craft for the unemployed youth between 18-25 years of age. The outcomes of training are very encouraging; many of the trainees are still working with FSDVS for the development of Bamboo Crafts Product. The ENVIS and FSDVS has resolved to conduct regular trainings in various sectors for the benefit of unemployed youth under “Nai Manzil Programme” at NSQF Level 2.

Skill Development & Vocational Charter

Discipline

Student Discipline

Every student should attempt to uphold the high ethics, the good name, and the prestige of the University. Therefore, students shall behave in a disciplined manner and follow all the instructions issued by the Arunachal University of Studies, from time to time. No student shall indulge in any kind of misconduct/antisocial activities/ act of indiscipline, within or outside the premises of the campus. Failing to do so might be subject to strict disciplinary action or might as well face expulsion from the University. No student should take the law into his/her own hands, whatever the circumstances may be. The use of violence by a student on any other person shall be viewed seriously and dealt with penalty. Teasing, name-calling and foul language are not tolerable within and outside of the campus. Students are encouraged to be well mannered and dutiful to all members of the AUS family. In case of violation of University Student Discipline Regulations made under the Arunachal University of Studies Act 2012, the university is empowered to take an appropriate action, which may include disciplinary actions, or legal criminal action against the violator. Following are more precise and detailed disciplines every student needs to study to avoid any severity.

Prohibition of Ragging

Ragging in any form is strictly prohibited. If any incident of ragging comes to the notice, the authority would expel the student from the University.

The University will not show any leniency to a misbehaving student and would initiate disciplinary action whenever occasion demands. At the time of admission, every student and his/her parent/guardian shall be required to sign a declaration to the effect that he/she submits himself/herself to the disciplinary jurisdiction of the Vice-Chancellor and the other authorities of the University.

All powers relating to discipline among the students are vested with the Vice-Chancellor. The Vice-Chancellor may delegate all or any of his/her powers as he/she deems proper to any of the Officers of the University specified by him/her. The Vice-Chancellor's decision shall be final in all matters of discipline of the students.

Specific Rules for Student Discipline

1. Students are expected to use only courteous and polite language and behave with decorum with others including the faculty members and the staff.
2. Students shall avoid using any insulting, inciting, threatening and explicit language when talking with fellow students and should abstain themselves from violence.
3. Students shall not talk or act in any manner that would bring disrepute to the University.
4. The students shall be regular and punctual in attending classes and all activities connected with the University. Attendance of minimum 75% compulsory for appearing in the examinations.
5. Gathering in groups at roads, entrance, exit and pathways is strictly prohibited.
6. The students shall maintain discipline in the class irrespective of the presence or absence of the teachers.
7. No student is permitted to leave the classroom during class hours.
8. Students should not leave the class or attend it late under the pretext of paying fees, visiting the library etc.
9. Students are expected to read notices/circulars displayed on the University Notice Board. Ignorance of not reading any notice/circular thus displayed shall not be accepted as an excuse failing to comply with the directions contained in it.
10. All vehicles should be parked in the allotted place. Vehicles found parked in unauthorized places shall be impounded.
11. While attending University functions, the students will conduct themselves in such a way as to bring credit to themselves and to the University.
12. Spitting, consumption of alcoholic beverages, smoking and littering inside the University campus is strictly prohibited.
13. Students are forbidden from entering the University office and the staff rooms during unspecified hours.
14. Students are prohibited from damaging the building or any other property of the University in any way. The cost of any damage shall be recovered from the responsible student(s).
15. Representation of complaints and grievances may be made individually to the Director (Admin) through the concerned H.O.D. or Discipline-cum-Grievance Committee / Proctorial Committee.
16. No meeting/function of any kind shall be held in the University premises without the written permission of the Vice-Chancellor.
17. No notice of any kind shall be circulated among students or displayed on black boards or on notice board without the written permission of the Vice-Chancellor. No information or report should be sent for publication/circulation in any media without the permission and approval of the Vice-Chancellor.
18. The University administration will deal strictly with the student(s) who mislead or spread false rumor thereby provoking other students by involving them in undue mob formation & strike.
19. The students are expected to take up all assignments, tests, sessional exams and semester/yearly examinations of the University seriously and would try to perform the best in the tests & examinations.
20. Misconduct during examination, production of false information or documents for admission purpose and the failure to return loaned materials or fee arrear with the University would be dealt seriously.
21. Ragging and Eve Teasing are considered as crime and strictly prohibited by an act promulgated by the Government of Arunachal Pradesh with the penalty of Rs.10,000/- and two years' imprisonment. If any student indulges in any form of ragging or Eve-Teasing inside the University campus, hostels or outside, he/she will be summarily expelled from the University.
22. Each student of this University must possess Student Identity Card with his/her photograph affixed on it, duly attested by the competent authority. The students must compulsorily wear the Student Identity Card inside the University Campus.
23. Students shall come clean, tidy and modestly dressed in University uniform. Students not wearing uniform would be marked as absent for that particular day. If non-adherence to this rule is reported against a student often, disciplinary action may be initiated against him/her.
24. Use of mobile phones in the Lecture Halls, laboratories & offices of the University is strictly prohibited. Violation of this rule by any student would result in impounding of the mobile phone and strict disciplinary action will be taken against the student.
25. Students should not involve themselves either directly or indirectly in any form of politics either inside or outside the University during their period of study. If a student fails to comply with this regulation, strict disciplinary action will be initiated against the student which may even result in the rustication of the student from the University.

Discipline

Library Rules

1. The Library is open to all the Students, Faculty and Staff of the University.
2. Readers are not allowed to enter the library with their personal belongings.
3. Readers are prohibited from engaging in any activity which may disturb or distract the attention of other readers and will result in disciplinary action.
4. No reader shall write upon, damage or make marks on any library book. Each student of the University will be issued two tickets. A book will be lent to a reader only in exchange of one of his/her tickets which will be returned back to the reader when he/she returns the book.
5. Date label and book pockets shall not be tampered with. Serious notice will be taken on any violation of this rule.
6. Library tickets are not transferable. A reader who loses a ticket shall follow the stipulated process including remittance of Rs.200 as a fine to get another Ticket. In case he/she happens to get the ticket at a later date, the reader should return the same immediately.
7. A reader who fails to return a book on the due date will be charged a sum of Rs. 10 per day as fine till he/she returns the book. Such a reader will not be allowed to use the library till the book is returned and fine paid.
8. At the end of each semester before receiving the Admit card, the student should return all the books to the library. Without a clearance certificate (NO DUE) to this effect from the Librarian, the University will not permit a student to write the End Semester Examination.
9. The Provisional / Diploma and Certificate shall be issued to the students only after they return all the books and remit dues outstanding against them.
10. Dictionaries and books which might be difficult to replace and such other books declared as Reference Books shall not be issued.
11. A book may be renewed for a further period of a fortnight provided: (a) No other reader has applied for the book in the meantime and (b) not more than two consecutive renewals may be made for the same book.
12. In the case of books for which there is an exceptional demand, the issue period may be reduced to fifteen days.
13. The Librarian in exigencies may recall any book at any time even if the normal period of issue has not expired and readers are not allowed to sub-lend the books of the Library.
14. Readers shall be responsible for any damage done to the books or other property belonging to the Library of the University. If the replacement of the books or other properties is not possible, four times the value of the book/property may be collected from the student concerned.

Attendance Rules

1. Students should attend all classes regularly and punctually.
2. Students must be punctual at each lecture hour. Students coming late to the class by more than five minutes will not be given attendance for that period.
3. Although the University prescribes a minimum of 75% of attendance, the University insists on regular full attendance in all classes. Students are eligible for scholarships only when they earn more than 90% of attendance.
4. A student with less than 75% of attendance will not be eligible to write the End Semester Examinations of the University.
5. Students are not permitted to absent themselves without prior permission.
6. An application for leave must be submitted in the prescribed form well in advance or at least a day before the leave is required.
7. When absence without prior permission is unavoidable the leave application must be submitted on the day of return to the University after the leave period.
8. Absence without leave for even a part of the day will be counted as absence for one day.
9. Students without Identity Card & proper Uniform will be marked absent.
10. If a student absents himself/herself for three consecutive days without leave his/her name will be removed from the rolls.
11. Removal of the names from the rolls shall entail forfeiture of attendance till the date of re-admission.
12. In case of any violation of rules and regulations by the student, action initiated against the student may include a warning or a reprimand, awarding a fail mark for an assignment or course, suspension or expulsion from a particular class or from the University, withholding of official documents, withdrawal of campus privileges and any other action which the University authorities deem appropriate at that time.

Code of Conduct

The Code of Conduct of the University are notified under the provison of

"The Arunachal University of Studies Act, 2012 (No. 9 of 2012)".

All the students enrolled with the university are required to follow the code of conduct, decided by the management of the university from time to time.

Student who has been detained due to shortage of attendance shall not be allowed to be promoted to the next semester and he/she will be required to take re-admission and repeat all courses of the said semester with the next batch of students.

Dean of the Faculty concerned shall announce the names of all such students who are not eligible to appear in the semester-end examination, at least 4 calendar days before the start of the semester-end examination and simultaneously intimate the same to the Controller of Examinations. In case any student appears by default, who in fact has been detained by the Faculty, his / her result shall be treated as "null and void."

The students are advised to ensure that they meet the minimum attendance requirement for appearing in the semester / year end examination failing which they shall not be allowed to sit in the examination. Students are also advised to maintain utmost expected discipline in and outside the University Campus. Disturbance of tranquility of the Campus in particular and society in general, through any means shall be treated as an act of indiscipline and suitable disciplinary action shall be taken against the defaulting students. Students are advised to wear the uniform while in campus and as per demand of the occasion.

The University has zero tolerance policy for indiscipline in and outside the campus by the students. Consuming alcohol, taking drugs, damaging University property, indulging in any kind of violence, misbehaving with fellow students/ teachers, ragging etc. are included in the list of undesirable activities and constitute the moral turpitude. Very strict action including suspension / rustication from the rolls of the University may be taken against the defaulting students.
